Dear George:

Enclosed are two (2) proposals covering compatibility studies on alternate antennas for use with System 3. We are proceeding with both studies based on your verbal authorization.

The first of these covers the antenna to be used in the P2V for Harry's program, and the second covers the Scimitar developed for use by the Follow-on Group in their RADAN equipped vehicles.

We have included a copy of this letter and the proposal for Jim's file.

Sincerely,

Dean
